No. 112/Bud

Station Madras *Dated the* 7th August 1929.

From (Name) F.A. Hamilton, Esquire, C.I.E.

(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Public (Police) Department

Sir,

I have the honour to request Government to sanction an expenditure of Rs.162-8-0 (one hundred and sixty two and annas eight only) on account of the hire of three taxis engaged by the District Superintendent of Police, South Kanara, to make arrangements to keep the peace during the disturbance between the fishermen and the Muhammadan communities in Managalore in May last.

2. The District Superintendent of Police reports that, three taxis were engaged to take Police patrols over the town and the disturbed area to prevent further disturbances by the collection of men of either party and sporadic attacks in

out

out-of-the-way places. For this purpose, the town was divided into three circuits and the distance covered by the taxis was 277 miles as shown below.

Circuit No.	Distance covered.	Number of trips.	Total mileage.
I.	6 miles.	27.	162 miles.
II.	4 ,,	15.	60 ,,
III.	5 ,,	11.	55 ,,
		Total.	277 miles.

The cost at annas eight a mile, the rate charged in the District, would amount to Rs.138-8-0. The three taxis were engaged for a period of 65 hours. Assuming that the cars ran at a speed of ten miles an hour, the time spent in running would be about 27 hours, and it may be taken that they were kept waiting for 38 hours. The detention charges at one rupee per hour would amount to Rs.38/- and the total cost would amount to Rs.176-8-0. The taxi owners, however, have charged at the rate of Rs.2-8-0 per hour irrespective of the distance travelled. The total cost claimed is Rs.162-8-0 which I think is reasonable in view of the fact that the cars were run both day and night.
